Sithembiso Mdhluli

Software Developer

(072) 938-1230	mdhlulisithembiso@gmail.com	Johannesburg, Gauteng

Objective

As a developer, my primary objective is to design, build, and maintain efficient, scalable, and secure web applications by developing robust back-end systems and seamless front-end experiences. I aim to create reliable and high-performing applications by writing clean, maintainable code, optimizing system performance, and ensuring security best practices.

Education

Rosebank College

Johannesburg, Gauteng
Diploma in Information Technology

University of South Africa
Johannesburg, Gauteng
Bsc. Information Technology Management (2nd Year)

Key Skills

Unit-testing	Docker
RESTful APIs	SQL Databases
